

HELLO

My name is Judith Robinson and I would love to be your next SU Ents Officer! I want to bring a fresh approach to Trinity Ents that will appeal to every student on campus.

I am a third year Music and Drama student, and the current Ents Officer of DU Players.

I am an active member of DUDJ, Trinity Orchestra, Trinity Surf Club, Trinity Yoga Society and have been involved in events with Trinity Arts Festival, Trinity Musical Theatre and The Phil. My love for Ents began when I first came to Trinity and saw how Ents brought students across campus together. I ran for the Ents Officer in DU Players because it is such an amazing society and I wanted to use my talents and give back to it in the best way that I could. As part of this role, I organise a weekly Wednesday night event and I make sure each one is unique and exciting. I have collaborated with many societies including; Q Soc, The Phil, VDP, VTP, Trinity Arts Festival and DUDJ.

I also have experience working alongside Trinity Ents, as I've collaborated with them on many occasions, Most recently we ran 'The Trinity Drag Race' as part of Rainbow Week.

As well as that, I have organised a successful Mystery Tour in four settings; an ice rink, a bowling alley, laser tag and The South William Nightclub. In addition to this, I have organised one of the biggest societal balls on campus 'Players Ball'. This featured the acts Daithí, Soft Boy Records, Cooks But We're Chefs and Caz9.

Another part of my job as Players' Ents Officer was to coordinate both day and night events for a five day long theatre festival. I organized fourteen different events across the five days, ranging from a dance workshop to 'The Mid-Day Disco' which featured three different musical acts, performing in three different locations on campus.

Being DU Players' Ents Officer has allowed me to hone my skills and showcase my ability to run large scale, innovative and magnetic events.

By voting for me, you're trusting me to deliver events that will enhance your college experience and I can promise I'll do that!

Arts Block / Hamilton
Tuesday: 10am - 5pm
Wednesday: 10am - 5pm
Thursday: 10am - 4pm

Tallaght / TBSI:
Wednesday: 12am - 2pm

Halls: Following Hustings
St. James / D'Olier St:
Wednesday: 12am - 2pm

GET GROOVY WITH JUDY

LOW COST CLUB NIGHTS

As Ents Officer I would like to create a fortnightly low cost continuous club night exclusively for students. Each night will begin with a live musical performance from emerging Trinity talent and the night will also feature a variety of Dublin's best DJs. The live acts would change each time, providing variety and range in this continuous event.

Event Submissions

I would like to open up event submissions to societies for unique event ideas that they want to bring to a campus wide level. I will open up submissions at the beginning of each term for a two week period. The choosing of events would be decided by the Ents Committee and would have to be passed at Council.

I would work closely with the chosen society to help them realise their event idea. This would help ensure the continual involvement of SU Ents with societies post Freshers' Week, as well as bringing diversity to the sort of events Ents runs.

Profitable Events

I believe that it is extremely important to create high quality profitable events. The money made from events is what helps fund other areas of the Student Union. I have extensive experience from DU Players in creating low cost events with a high production value. I believe this experience will help me in creating profitable events.

INCLUSIVITY

I want to create events that are immersive, engaging and memorable. Making sure all students across campus are connected with campus life and feel included in college is a top priority for me. For example, I would like to work closely with class reps from the health sciences in coordinating events around placement times. As Ents Officer, I would seek to strike a balance between niche, eclectic yet accessible events.

Ents For Good

The organisation of events to raise awareness about issues facing people today is something that I would love to introduce. During my time as the Ents Officer for DU Players, I organised a Consent Workshop, and a talk about the homeless crisis which both were very informative and positive.

I want to expand this across campus alongside workshops on drug awareness and safety. Having events that raise awareness and money for charity stretches the aims of RAG Week across the whole year.

PAV FRIDAYS

As Ents Officer, I will bring you affordable, local events. Under this mandate, I plan to work with DUDJ to create a free weekly event in our student bar, the Pav. We should be utilising the free space that we have, and what better way to do so than with a DJ set being played each week? This is an accessible, free event, which will bring students together. I have spoken to both DUDJ and the Pav, so I know it is feasible.

CULTURE NIGHTS

I would like to organise a continuous culture night every month featuring the up and coming artistic talent that Trinity has to offer. This event would give artists an opportunity to showcase their variety of talents: musical, theatrical, dance, photography, the potential is limitless. This event is a great way for students to come and appreciate the artistic talent that Ireland has to offer.

Recharge Tent

Trinity Ball is a fantastic event, but it can be overwhelming at times. I want to introduce an alcohol free tent where students can sit down, have a cup of tea and simply take a break. Lost your friends? Now you have a place to go! This will be a safe space for students, filled with beanbags, cups of tea and chill vibes.
